RE: REV2021/0034 - 231 Whale Beach Road WHALE BEACH NSW 2107

Our family rented holiday houses in Whale Beach for many years & I always thought no 231 Whale Beach Rd needed a facelift! I have seen the proposed amended DA & wish to let council know that I strongly support this development & look fwd to enjoying this building when it is completed The design is most attractive It will definitely enhance the beachscape Thank you Yours sincerely M.L.
