RE: DA2020/0431 - 1129 Pittwater Road COLLAROY NSW 2097

Dear Sir,

I wish to support my neighbours concerns with the proposed development at 1129 Pittwater Road Collaroy.

Although my unit is not directly affected by the proposal, I believe that the design could be altered to reduce obstruction of neighbours views that will be lost .

As for solar access, the shadow diagrams supplied only show the proposed affects on our building. It would be an advantage if a pre- development demonstration of the shadows cast was provided for comparison.

Thankyou for the opportunity to submit my comments.

Yours faithfully,

N. Murdocca
