Subject: Warringah Golf Club

I wish to support the warringah golf club submission for the new clubhouse.
I have been a member for 15 years and am looking forward to the new premises that golfers & general public can enjoy sport & recreation.
The construction of the new clubhouse is fully funded by the members . There is no financial support by any other bodies. Most importantly, there will be no poker machines
Parking has been well addressed with 120 spaces available, not impacting on Kentwell Road.

Yours sincerely
Mary English
