Subject: TRIMMED: 35 consul road submission

To whom it may concern,
Please keep my details withheld.

I object to the proposed change of use for this property. I would like to see a master plan as last property school did this to for same reason was changed to a car park within months. Would also like council to check if school is compliant within all other areas before any more approvals.
Do not feel neighbors have been notified correctly as when speaking with neighbors no body is aware of this development application.
