The General Manager  
Northern Beaches Council  
725 Pittwater Road  
DEE WHY NSW 2099

Dear Sir,

**14/9 Powells Rd Brookvale – 7<sup>th</sup> Day Brewery**

This letter is to confirm that the Acoustic report prepared by Acoustic Logic dated 321 August 2020 is believed to be ample to allow assessment of the current application. It references a 150 patrons, the same hours of operation and the use of the outdoor area. We note that the plan references are the approved plans for the use, which remain essentially the same.

It is requested that Council based their assessment on this application, given the cost constraints of preparing a new report for a business which has been greatly impacted by Covid.

*Yours faithfully,*
