Hello,

DA2019/0123

I'd like to support this submission for earlier trading hours for the Mona Vale organic market. As someone who has frequented this type of market for many years, it's very much a thing that you do early in the morning and then have the rest of the day to enjoy (like visiting a wholesale market in the wee hours). As the weather warms up, it's also advantageous to customers and stallholders selling fresh produce to start before it gets to too hot.

Thanks  
Alison
