Subject: DA2024/1390

Thank you for notifying us regarding this DA at 12&14 Gladys Ave Frenches Forest.
In principle we have no objection of this proposal, however as there are no details of this "SENIORS HOUSING" we have to send in our reservations. No further details are provided and this seniors housing could be for say 2 persons but also for a 100. If for 2 we surely have no objection but for a great number we have to object.
