Mr Giovanni Preiato

1 - 16-18 Dee Why Rd. D. Y.

I wish to make a submission
for PEX 2024/0002
attention Kate Merciea
I object to the proposal due to my
lifestyle changes.

I enjoy sitting outside in the sun on my
patio.

The value of my property will be compromised
and the noise!!!

Also it will be such an isor, new building
around an older one on the corner. It should
all be zoned the same, ~~at~~ ~~so~~ it
