**RE: DA2019/0200 - 130 Old Pittwater Road BROOKVALE NSW 2100**

This is a letter of objection, and a request that you deny the application regarding this proposed development.

This development infringes on the bush land and represents over-development of an area that needs to be kept as bush land.

This development will impact directly on the wildlife and bush land and also the many residents who have dwellings that back onto the valley. Light industry verging on bushland also poses the concern of bush fires.

Allenby Park is a unique parcel of bush land that contains water tributaries that feed into the ocean, native rain forest and many species of native fauna including wallabies, echidnas and breeding pairs of the Powerful Owl which is listed on the New South Wales Threatened species conservation ACT as Vulnerable

Thank you for taking our objections and suggestions into account.

Yours Sincerely

Victoria Munro
