Subject: Development Application Enquiry: PP0005/16

Hi

I am writing in response to the above application.

I do not agree with the rezoning under the proposed DA, it is not in spirit with the development of Warriewood valley. The LEP was plan should not be amended to increase the building height to squeeze in even more dwellings. The surrounding areas will not cope with the increased traffic. It will increase developers profits not supply affordable housing for the community.
