**RE: Mod2019/0618 - 18 / 99 Alfred Street NARRAWEENA NSW 2099**

This Cafe is a huge part of the Narraweena community, they don't just provide a cafe it's a meeting place for the many elderly and vulnerable adults who live in the area. The owners would bend over backwards to help anyone in the community and there is no reason they can't open earlier - other cafe's and businesses in the area already open early.
