

This engineering plan view illustrates a proposed road layout and lot configuration. The main road, 335 LOWER PLATEAU RD, is shown with an existing centerline and a proposed alignment. A proposed lot, labeled 'BDY 10.056 PROPOSED (LOT 2)', is outlined in red. The lot is bounded by 'BDY 4.200-PROPOSED' to the north, 'BDY 2.048 PROPOSED' to the east, and 'BDY 3.000 PROPOSED' to the south. The lot is divided into two sections by a dashed line, with a 25% slope indicated. The lot is also bounded by 'BDY 10.056 PROPOSED (LOT 2)' to the west. The lot is situated near a 'TRAFFIC SIGNALS' intersection. The plan view includes various elevation points (RL 80.000, RL 81.880, RL 82.880, RL 84.000, RL 85.000, RL 79.760, RL 80.030) and slope percentages (12.5%, 25%, 2%, 7M). The plan view also shows existing and proposed road boundaries, including 'BDY 4.200-PROPOSED', 'BDY 2.048 PROPOSED', 'BDY 3.000 PROPOSED', and 'BDY 10.056 PROPOSED (LOT 2)'. The plan view is labeled '335 LOWER PLATEAU RD' and '6'.
