Subject: Mod2022/0634 - DA2020/0110

Lot 12 SP 39226 12/20-22 Cross Street BROOKVALE
Use of premises as a Recreation Facility Indoor (gymnasium) modification to change hours of operation.

To whom this may concern

The gym extending its hours to 5.30am to 8.00pm is a concern. This will be very disruptive as the music is always really loud and you hear the weights drop on the floor causing my windows to shutter. I work in a special education setting so I need to be on my game all the time. Being woken up at 5.30am in the morning could cause me to be very tired and not be able to job properly. I am already concerned with how the weights being dropped on the floor cause my windows to shutter. This gym is very close to residential area and should not be able to cause more disruption.

Thank you resident from unit 6/6-7 Funda place
