RE: DA2019/1480 - 242 Warringah Road BEACON HILL NSW 2100

I feel this boarding house would not be appropriate.

1 The entry is on the crest of the hill and would be very dangerous

2 Traffic around there is bad enough and this would add to the traffic and I could see a
accident waiting to happen

3. This is a family area and a lot of school children at the bus stop close by, and you would not
know who was staying at the boarding house
