RE: DA2019/1426 - 77 Collingwood Street MANLY NSW 2095

I fully support having this window available for service. As a member of Queenscliff surf club, this window provides a quick way for patrols to get coffee and get back to the beach. It also doesn't cause any issue when it is open. Its just an easy way for us taxpayers to get a quick coffee and mind our kids on the beach or in the play park.
