To Whom it may concern,

I'm a resident in Stratford Drive, around the corner from this proposed development site, and I would like to state that I am against this idea.

Already the area is filled with cars during school time and weekends. I feel with so many boarders the roads will become more dangerous for the kids around the area. Being so close to the school and school children is a huge factor. What sort of people are expected to live in these boarding houses?

We like the community the way it is. We don't want it getting bigger, we want it to remain small and safe for our children and stay a small tight knit community.

Please do not allow this to happen.

Regards
Abigail Brown
