RE: DA2024/1249 - 0 East Esplanade MANLY NSW 2095

It's Manly Wharf should be respected in any proposed name change.
This will reflect the historical reality of this iconic location for all the world to appreciate.
FELONS means nothing just a word in a dictionary and it's a bit of a contrived name for this location attempting to link To Brisbane/ Morton Bay Area? Very strange indeed.
Worst case scenario if a name change is proposed perhaps :
MANLY WHARF FELONS or suchFELONS @ MANLY WHARF
Please seriously retain HERITAGE of Manly Wharf. Say the word 'I'm going to Manly Wharf' and an image comes to mind anywhere n Australia and internationally. Say ' I'm going to Felons' the reaction? What's that?
