RE: DA2024/0622 - 292 Condamine Street NORTH MANLY NSW 2100

i have been a member of Waringah Golf Club for some twenty years and at my age (78 years) i have had great enjoyment and company with my fellow players which assists greatly with my mental health - the design and surrounds look fabulous and will greatly enhance the club and its players - not to mention local residents who walk / run through and around the course - i trust you will have no objections to the sort after approvals - please contact me if further information is required - regards David Hayes
