1. Before making a submission

You should inspect the plans and read the accompanying information so you are clear on the details. Usually, the applicant will be your neighbour or their architect so you may be able to clarify any details or resolve any concerns by discussing it with them. If you decide to make a submission, please remember:

Council's assessment involves a process of balancing your legitimate concerns and the reasonable development rights of the applicant. Council has to evaluate both within a statutory planning framework and, in some cases may apply conditions to overcome legitimate planning issues.

Council is interested in your specific issues and these are best expressed in your own words and need not rely on lengthy references to provisions of planning instruments (LEPs and DCPs) – these references may distract from your immediate concerns.

When considering an application, Council will have regard to:

- Statutory requirement under the act;
- Adopted policies of Council; and
- Issues raised in written submissions.

2. Privacy and Personal Information and Government Information (Public Access) Act 2009 (GIPA)

The supply of personal contact information in a submission is voluntary under the *Privacy and Personal Information Protection Act 1998*. By including your contact information in a submission you are acknowledging that it will be made available for public view at Council and through Council's website. Personal information (phone number, address, name and email address) will be redacted (removed) upon request.

Any written submission you make is open to public scrutiny under GIPA. It will be available on Council's website and may be used in Council reports or court proceedings. In this regard, your comments should be restricted to the proposed development. Comments of a personal defamatory nature should be excluded and Council accepts no responsibility in this regard. In making a submission, you do so at your own risk. If you would like your submission to be kept confidential, you must provide reasons as to why your submission should not be made public and be marked "CONFIDENTIAL" for Council's considerations.

3. Amended Plans

If plans are amended you may be notified if Council's assessing officer considers the changes have greater impact on your property than the original. If you do not lodge a subsequent submission Council will consider that your concerns have been satisfied.

4. Local Government and Planning Legislation Amendment (Political Donations) Act 2008

If you or an associate has made a political donation to a Northern Beaches Councillor or provided a gift to a Councillor or an employee of the Council within the past two years and you wish to make a submission on this application you must make a disclosure. Further information regarding political donation disclosure and disclosure forms are available from Council's Customer Service Centre or on our website.

5. Consideration of Submissions

All submissions received from the same property, or on behalf of the same property will be counted as 1 submission.

Anonymous submissions will not be counted as a submission, however issues raised will be considered.

Petitions will be counted as a single submission with the number of signatures recorded.

Submissions received after the end of the notification period will be accepted at the discretion of Council staff.
