**RE: DA2019/1234 - 0 Wharves And Jetties MANLY NSW 2095**

I object to the development application for the following reasons:

1. Increased Noise for residents. Noise travels a long way across the water.
  2. Lack of infrastructure and parking for increased numbers of visitors.
  3. Traffic Jams - Already it is difficult moving numbers of cars in and out of Manly.
- It is obvious that the increased space is mostly for alcohol which will contribute more anti social behaviour in the area. Manly needs to be shared with residents and not always for the benefit of large corporations making money who don't have to deal with the consequences of living in the area.
