RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084

Fully support this development and the need to develop and move forward in Terrey Hills. I do however wish to note they should contribute to the renew of both Cooyong Rd and myoora rd (within the school zone) to assist in making them safer for school children, pedestrians, horses and other local traffic with the increased movements.

Some pedestrian warning devices at the truck entry/exit on myoora should be made mandatory to ensure the safety of School children and pedestrians. This may include automated physical barricades or just highly visible lighting.

Whilst some minor changes as per above, the project has my full support.
