Reference is made to the proposed development at the above area and Aboriginal heritage.

The AHO recommends an Aboriginal Objects Due Diligence Assessment be carried out for the property by a qualified Aboriginal heritage professional, including consideration for subsurface archaeological testing.

This would provide an assessment of any unrecorded or potential Aboriginal sites within the allotment, and advice on potential (direct or indirect) impacts to any Aboriginal sites.

Under the National Parks and Wildlife Act 1974 (NPW Act) all Aboriginal objects are protected. Should any Aboriginal Cultural Heritage items be uncovered during earthworks, works should cease in the area and the Aboriginal Heritage Office assess the finds. Under Section 89a of the NPW Act should the objects be found to be Aboriginal, the Department of Planning, Industry and Environment (DPIE) and the Metropolitan Local Aboriginal Land Council (MLALC) should be contacted.
