RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

The proposed plans do not align with the aesthetics of our lovely beachside village. They dont fit in at all with the way we use the village as locals and in fact are in direct conflict with the direction moat folks who live in Newport would like to see. During the last 12 mm onths of lockdowns and uncertainty this village has bound together to support each other. We do not want our village to bwcome a line of big square buildings that have to be air-conditioned. We are a collective of social people who eat out frequently spend time on the beach, dont wear shoes sometimes and like to dine alfresco. Please take this into consideration and do NOT approve the ruination of Robwetson road. Do not create a garage entrance that will creat traffic hazards, reduce accessibility and ruin pir home. Thank you
