**RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107**

I don't think this design is suitable for the area, it looks like a Westfield shopping centre! This end of the northern beaches has a more relaxed vibe and nobody wants it to turn into the eastern suburbs. I'm not against development, but its got to fit in with the existing feel of the area. This design is going to ruin the look and feel of the beach.
