**RE: DA2019/1340 - 100 / 0 Meatworks Avenue OXFORD FALLS NSW 2100**

Hello, I am really concerned about the limited access to such a huge development. The road in and out of the property is very narrow, and there is a school with lots of children trying to access it safely. There are zero footpaths on Oxford Falls Road or Dreadnought Rd for the kids to access the school as it is. Extra traffic will put the kids in extra danger. Will the new development have access opened on/off Wakehurst Parkway so the school can be by-passed?
