Cost Summary Report and Quantity Surveyors Report

The estimated cost of development provided with the application will be used to calculate Development Application fees (where relevant) in accordance with Clause 255 of the Environmental Planning & Assessment Regulation, 2000 and development contribution levies (where relevant) in accordance with Clause 25J of the Environmental Planning & Assessment Regulation, 2000.

Cost Summary Reports and Quantity Surveyors Reports may be the subject of a check by Council at the time a quality check of the whole Development Application is conducted after it is lodged via the NSW Planning Portal. Should Council determine that there is a significant difference between the cost estimate provided in the Cost Summary Report and Council's estimate, the application will not be accepted, and the application will receive a request for additional information to submit a revised Cost Summary Report.

General Notice

This form is required to be submitted with all Development Applications, except where there is no associated works.

The form is to be completed by the following persons based on the estimated cost of works:

- Development with an estimated cost up to \$1,000,000 – Building Industry Professional
