RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

We do not need any more shop top housing this end of the northern beaches!!!
You will be taking away such a alfresco dining area that could be utilised for the community in many ways! Street festival, singing etc

Instead of developers making big money and destroying our gorgeous beach suburbs!! It's always about money and greed!

Where are all these people going to park!! More cars and boats parked in our already congested streets!

Start thinking about our community instead of greed!!!
