Subject: Complaint re 8 forest Dr development.

Hi there,

I'm a member of the northern beaches community, my family and I live in Warriewood (Valley Place). My husband and I are very concerned about the development of 81 dwellings at 8 forest rd Warriewood. The area is already remarkably congested, particularly during drop off and pick up times, but also throughout the day. To add more stress to the thoroughfares of the area is not only unrealistic but dangerous, these roads were not constructed with so much traffic in mind. The streets are filled predominantly with young families and school children. Adding more than 100 cars to the daily traffic of the area is a tragedy waiting to happen. We vehemently oppose this construction and feel it is only going to end in disaster.

Kind regards,
Lucinda and Jarrod Castaing
