We understand that the above establishment have applied to have their liquor licence extended from 10.00pm to 12.00am. We strongly object to this as we are on a neighbouring property and do not want to be affected by the annoyingly loud music and traffic any later at night.

In addition to my recent email I would like to add that we already have to tolerate noise and traffic activity from Casa The Golf Club and Dunes Restaurant. As well we are constantly disturbed by by motorbikes and hoons speeding on Barrenjoey Road.
