RE: DA2024/0573 - 182 Headland Road NORTH CURL CURL NSW 2099

Privacy and loss of views concerns down our shared boundary and back garden discussed with owner Alex Abagian. Updated plans have been shared with us to address privacy issue along shared boundary which eliminate window W12. Per discussion with Michael French on 10/07/24, these updated plans with W12 removed have been received by Council and will be reflected on the Council website in the next couple of days and will be used for the assessment.
