RE: DA2020/1167 - 9 Francis Street DEE WHY NSW 2099

As a local resident Narrabeen resident, I think the Fisher Rd DeeWhy project would be a great development for the community. The church, cafe and conference centre provide great meeting places for locals and accomodate various activities happening in and around DeeWhy. I'm sure the accomodation will provide a wonderful location for residents to live once it is completed as well.
