Dear Northern Beaches Council,

The matter of the above DA application has been raised amongst many in our community and as a Freshwater resident and volunteer in our community my husband Graham and I wish to express our support for the DA.

We all know this is an iconic building and area of Freshwater, of which we all enjoy on a daily basis. Pilu and his businesses have always taken great consideration used the area as respectful custodians of the property.

For Pilu to offer more services and provide more options to our community and visitors is a gift we must encourage. We therefore support the DA proposal and see NO reason to delay any longer.

Should you wish to discuss our thoughts further please don't hesitate to contact us

Kind Regards  
Graham and Julie Rigoni
