**Subject:** 231 Whale Beach Road Submission

To Whom it May Concern

My apologies for missing the deadline for comment on 231 Whale Beach Road Whale Beach

We live at 60 Whale Beach Road and fully support the application. We think it is a beautiful representation of the area in design and use of materials. The shop front is suited to the area and appears to be fit for purpose. Great design and sympathetic to the surroundings.

Kalinda and Guy Hawson
