**RE: DA2021/0744 - 50 Lawrence Street FRESHWATER NSW 2096**

You cannot be serious about letting this DA go through.  
Hasn't council done enough to ruin the beautiful old feel of Freshwater village. We are NOT  
Dee Why and the community DOES NOT WANT THIS!! In such hard times and with so many  
empty shops as it is - how can you even fathom this and causing even further disruption to our  
once vibrant village. Do something for the rate paying residents and struggling small business  
for once and Leave Freshwater the hell alone.  
May I ask the assessing officer/s - do you even live here?
