Subject: Development Application Number DA2020/1597

Good Day,

After receiving word regarding Development Application number DA2020/1597, to turn 67 Pacific Parade into a Boarding House, I (as a nearby resident of Dee Why) would like to express our lack of support for this proposal.

The size of the block is not suitable for such a large development, the proposed solution for parking is not sufficient and will cause even greater congestion in an already busy area. Dee Why continues to progress as a safe, family friendly, neighbourhood in the Northern Beaches, and the proposed Boarding House would hinder this continuous progression.

Thank you for your consideration.
