Subject: DA2021/1541 Alma Restaurant Freshwater

Dear Council,

I have been a resident of Freshwater for 23 years and have watched it develop from a tired little shopping strip into a funky, thriving and cosmopolitan village. The DA application for Alma Mexican restaurant would be an exciting addition to our suburb and adds more outdoor seating which is still lacking in the busy Summer months.

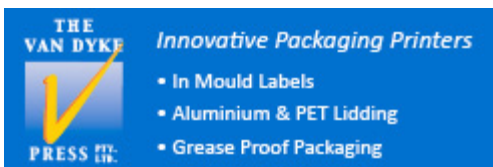

Alma at Avalon is a sophisticated, grown up Mexican restaurant and bar that adds to the suburb. I believe Alma at Freshie would do the same for us and support it's DA.

Please get in touch if you would like any further comments.

Kind regards,

Will Tompson
