Dear Mayor/Deputy Mayor/Councillors,

My name is Philippa Turner and I live in Manuela Place Curl Curl.

We have already lost our street to the Freshwater Senior Campus school kids during the day from Monday to Friday, as well as weekend sport.

Now you expect us to put up with the congestion 7 nights a week as well.

The whole proposal is just ludicrous with residential homes as close as they are to the playing fields.

We have young grandchildren who often stay with us and ours and their bedroom windows are literally just metres from the playing fields.

Surely there must be more pressing things to spend our ratepayer's money on than this inconsiderate idea. How about spending the money on cleaning up the Harbord Road end of the lagoon....it's a disgrace.

THIS DA MUST BE WITHDRAWN IMMEDIATELY

Sincerely

Philippa Turner
