**RE: DA2022/0932 - 146 Forest Way BELROSE NSW 2085**

I am in support of this development.

As a long term member of the Belrose community and a regular supporter of various cubs & sporting groups within the area it is essential that we support and encourage these groups when improvements such as these are proposed.

The groups that I have or are still involved with include Club Belrose, Belrose Bowls Club, Belrose socials golf club, Belrose Hotel, Wakehurst Rugby Club, Belrose Junior & Senior Rugby League, Forest Lions junior & senior AFL & Belrose Eagles touch footy.

Many of these clubs are supported by Club Belrose and have over the last few decades utilized the BBQ area and surrounding bowls green and landscaping to host various ceremonies, gatherings and presentations.

One group that i am still involved with has used this area to host the annual 2-up game on Anzac Day and the morning breakfast and dignitary roll up. The 2022 day was once again well supported by the local community with a couple of thousand dollars raised for legacy.

The proposed area will assist in the smooth running an such future events and will continue to provide a family safe area for the enjoyment of the general club community and families with children.

I welcome the improvements and any future proposed improvement t the area and facilities.

All the best

Daniel Page
