**Re: DA 2021/1817 - Shop 5/35 Adams St., Curl Curl - Proposed Animal Acupuncture Clinic**

As the owner of the abovementioned premises, I approve the Proposed Animal Acupuncture Clinic, on the clear understanding that there will be no boarding of animals.

The Acupuncture Clinic will allow one animal accompanied by its owner to come and have acupuncture treatment and then leave the premises.

I sincerely believe that this simple animal acupuncture treatment will be complimentary to the current health and lifestyle services being offered in this neighbourhood Wellbeing Centre.

Trusting that this letter of support is an appropriate endorsement for this proposal, and for any further information please feel free to contact me anytime.

Best regards,
