**RE: DA2020/1758 - 11 Lewis Street BALGOWLAH HEIGHTS NSW 2093**

To whom it may concern,

Regarding the proposed development of a child care center facility on Lewis st near Balgowlah Heights Public School, I would like to share my disagreement with this project.

I am a mother of two girls going to Balgowlah Heights Public School and the main reason of my objection is the additional car traffic it will create right near the school during peak hours where it is already very challenging to find a park for parents coming and pick up their kids by car. Furthermore, I am very concerned about having additional cars travelling back and forth in the residential area for kids walking to school.

Lastly, I don't believe this centre will benefit the community as there is already numerous options of day care in the vicinity for families to choose from.

I am happy to discuss further should you have more question about my submission.

Kind regards,  
Cecile
