

Notes

All dimensions are in millimetres unless noted otherwise.
Check all dimensions on site prior to commencement of the work shown on the drawing.
Work to figured dimensions where given.
Report any discrepancies or omissions to the architect for resolution before proceeding with the work.
All work to comply with the Australian Standards; the Building Code of Australia & the relevant Authorities.

Site plan derived from aerial photo and title survey
subject to full detail survey if footprint and orientation
are required to be documented.
