**RE: DA2019/1426 - 77 Collingwood Street MANLY NSW 2095**

I would like to submit my support for this DA to have a window servery at Corner Coffee Shop at Queenscliff.

- \* It is a good spot for a window servery, as it is safe wide footpath there, and
- \* it encourages conversations amongst the locals that visit it.
- \* My son does surf patrol at Queenscliff beach, and it is a quick and easy way for him to grab a drink, but to stay visible.
- \* It provides much needed service and employment to the local community
- \* There is the absolute need for 2 food and beverage outlets in this location as the next nearest option is quite a distance away.

Thank you for considering my submission.
