Subject: Attention : planning & assessments > Ref DA 2018/1708

Hi there

I've never made any objection to a building proposal before but this time I felt I just had to strongly oppose the above proposed development of a boarding house at 195-197 Sydney Road. DA 2018/1708.

It looks bad based on the huge number of units being proposed, and the residents will be transient. I live very close by and strongly resent this development being hoisted upon me, just having it even being proposed, makes my blood boil!!!

It is completely out of character with Fairlight and does not belong here.
