ATTENTION: Olivia Ramage - Planner - Northern Beaches Council

I would like to provide support for the **DA2023/1237** at 11 Boola Place, Cromer

Having been involved for 20 years coaching junior cricket club teams, then junior Manly Warringah cricket representative teams and now the Manly Warringah grade cricket club, the Northern Beaches is desperate for an indoor cricket net facility. During this time it has been incredibly frustrating having to drive our local cricketers to Hornsby, Moore Park, Kingsgrove and Silverwater to access such a fundamental training facility which is common place for most other grade and representative cricket clubs in Sydney.

Manly Warringah cricket has been disadvantaged each year as our junior and senior male and female cricketers effectively can only train cricket specifically for approximately 8 months of the year, not 12 months like the majority of the players they are competing against across Sydney and the state.

Kind regards,

Roy Vumbaca
