MR Kenneth Fitzpatrick  
15 DARIUS AVE  
NARRABEEN NORTH, NSW 2101

**RE: DA2023/0718 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Surface renewal of golf greens is a maintenance issue and should not be subject to a DA approval. Total replacement is a different matter and I'm sure deserves the scrutiny a DA affords.

Why are these demands for DA requirements being made on every aspect of golf course maintenance being levelled constantly without referral?
