RE: DA2020/1097 - 0 Campbell Parade MANLY VALE NSW 2093

If you can find additional parking at Freshwater Senior Campus for John Fisher Park, then why can't you find additional parking at Mackellar Girls Campus for Passmore Oval ... the parking problems there are going to be at least as bad, if not WORSE, than at JFP.

As it stands, without ADDITIONAL parking, I OPPOSE this development, as I did in my first submission and for the same reason ... it will be absolute CHAOS otherwise.
