RE: DA2020/1614 - 1 Montauban Avenue SEAFORTH NSW 2092

My objections to this development application is based on:

1. The design is not commensurate with the rest of the properties in the area.
2. It is too bulky constructed in 3 levels that I believe extends beyond Council regulations for height. It therefore may not comply with Council's DCP
3. It will eliminate any privacy of our tenants.
