RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

Dear Assessing Officer,

I am writing to voice my objection to the proposed development at 521 Barrenjoey Road. My reasons for objecting the approval of these plans is outlined below:

1. The size and scale of the development is out of character with the local community
2. The removal of an unacceptable amount of mature trees including protected species. This represents loss of habitat to wildlife and loss of tree canopy.
3. The disruption to and potential safety hazards posed to drivers on Barrenjoey road. This construction is on a blind corner and I am deeply concerned for cyclists and motorists safety with the increased traffic entering and exiting this property

Thank you
