RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

This should not go ahead it is in the worst possible spot in a small suburb with little to no parking for residents. It is a danger to residents as it will make this road Unnecessarily busy which also poses a high danger to the kids if this goes ahead. This childcare centre should have never even been approved for one and should never have been allowed to plan for. It is a shame the council does not even talk to residents in the suburb and inform about this. The council should be ashamed and should not carry out anything in this suburb without consent from residents. This childcare centre does not and should not be made.
