RE: DA2022/1985 - 27 Waine Street FRESHWATER NSW 2096

To The Assessing Officer:

When a decision about the future status of DA2022/1985 is made, and if I disagree with the decision, what can I do to protest that decision? Which government offices/departments can I contact? Are you aware of any pro bono legal aid groups who aid citizens in opposing inappropriate, misguided, contentious and controversial developments.

If this forum does not allow you to answer my questions, can you suggest organizations that may help me contest a decision that allows this development. I believe permitting this development to proceed would not be in the public interest of those in the immediate locale and in the area of Freshwater and the Northern Beaches.
